

Job Title: Silviculture Summer Student

Job Category: Silviculture and Forest Health

Job Description:

WestFor Management Inc. is looking for a summer student to support our team this summer of 2021. Under the supervision of senior staff, the candidate is expected to work independently on relative remote sites within Western Nova Scotia.

The candidate must provide reliable transportation. Fuel and other vehicle related costs will be reimbursed through a mileage system.

Duties

- Various Forest surveys and work quality assessments (regeneration, old growth, etc.)
- Cut block and/or road location layout
- Assist with supervision of harvesting and/or road building operations
- Various other duties

Condition of Employment

- Must be currently enrolled in Resource Management related schooling (i.e. Forest Technology, BScF, etc.)
- Valid class 5 drivers license
- Able to work in variable weather conditions
- Candidate must provide reliable transportation for use on highway and logging road conditions
- Valid first aid certificate
- Able to work independently with strong organizational and time management skills
- Be able to work effectively with co-workers and third parties

Hourly Wage: \$18.00

Start Date: May 3, 2021

End Date: August 30, 2021

Number of hours per week per staff: 45 hours

Please send cover letter and resume to communications@westfor.org by January 31st, 2021.
