

## Community Grants Application

---

Forestry is a large economic driver in our province and has been for generations upon generations of forest workers. While we may see plenty coming back into the communities that are surrounding mills, the rest of the county may not feel the direct impact. These funds are here to change that.

In each county that we operate in, \$0.50 per tonne will go into a fund that is allotted back into the county where the resource came from. Organizations that impact child and youth programs, outdoor recreation, community infrastructure, and First Nations development can apply using the application below. The application will then be reviewed by a committee made up of individuals from each county who are leaders within their communities.

Funding will be considered for projects in the following counties:

1. Digby
2. Annapolis
3. Halifax
4. Hants
5. Kings
6. Queens
7. Shelburne
8. Lunenburg
9. Yarmouth
